Motion Designer / Video Producer

Description

EIGHT is a growing digital agency with a presence in **France, Switzerland, Morocco, Spain, and Vietnam**. We operate across diverse markets to deliver impactful solutions. We support small, medium, and large companies to improve their digital strategy and increase their visibility by optimizing their internal processes and securing their information systems.

EIGHT values creativity, curiosity, and ambition to drive digital innovation. Join us and become part of a dynamic and multicultural environment where fresh ideas are celebrated and empowered to achieve results.

Responsabilités

As part of our expansion in Vietnam, we are seeking a talented **Motion Designer / Video Producer** to bring visual storytelling to life for our clients and internal projects.

Key Responsibilities:

- Conceptualize, design, and produce motion graphics, animations, and videos for various digital platforms
- Collaborate with creative directors, designers, and marketing teams to develop engaging content
- Create video content for social media, websites, advertising, and client presentations
- Edit and post-produce videos with attention to detail, pacing, and storytelling
- Ensure all visual content aligns with brand guidelines and project objectives
- Manage multiple projects from concept to final delivery, meeting deadlines and quality standards
- Stay up-to-date with the latest trends, tools, and techniques in motion design and video production

Qualifications

- 3+ years of experience in motion design and video production, preferably in an agency setting
- Strong portfolio showcasing motion graphics, animations, and video work
- Proficiency in Adobe After Effects, Premiere Pro, and other relevant tools (e.g., Photoshop, Illustrator)
- Experience with 2D/3D animation is a plus
